David,

We can arrange a site visit, either Wednesday afternoon or on Thursday. Just let us know as your schedule develops. The site is about 3 hours from Phoenix.

Becky

Hi Becky,

I also want to give you a heads-up that I will be in Arizona, probably Apr 11-13. If possible, I'd like to see about arranging a visit out to the Gunnison site, along with scheduling any face-to-face discussions. Tentatively, I am booked the latter part of Tuesday and early Wed., but otherwise have flexibility. Let me know if this would be a good time for me to get together with your team. Thanks, David

Nancy;

I am following up with you for an update on the status of the EPA contact with SHPO and USFWS in regards to the Gunnison Copper Project.

Please let me know where these processes are and if you need any additional information.

Thanks,

Becky
